

## Dove si nascondono i triangoli rettangoli?

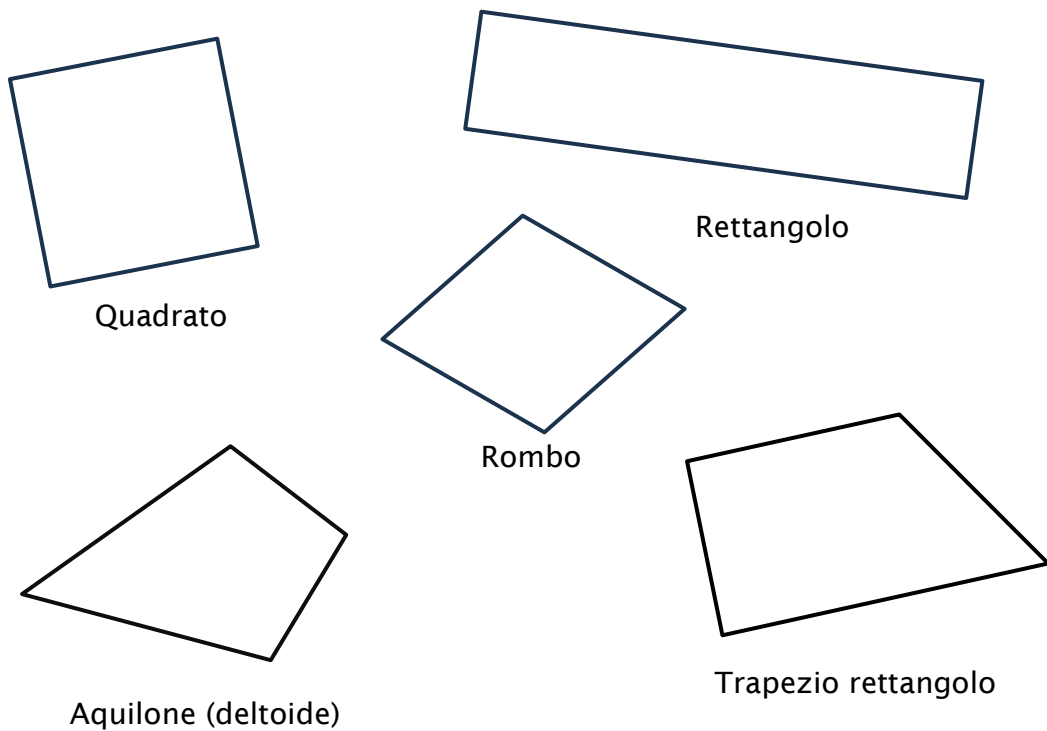

1. In ogni figura:

- Identifica un triangolo rettangolo e coloralo.
- Colorane i cateti in blu e in rosso l'ipotenusa.

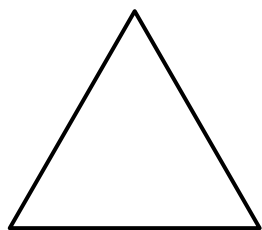

2. Trova triangoli rettangoli all'interno di altre figure, tracciando una o più diagonali.

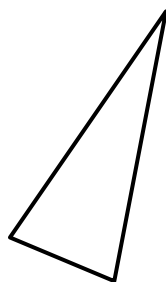

Quanti ne trovi? Come sono tra loro?

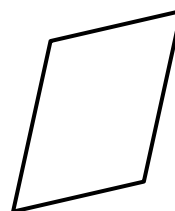

3. Trova triangoli rettangoli all'interno di queste figure tracciando in modo opportuno delle altezze.

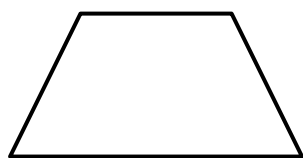

Triangolo equilatero

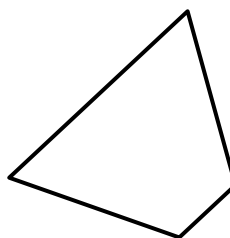

Triangolo isoscele

Parallelogramma

Trapezio isoscele

4. E nei solidi?
